ABOUT US

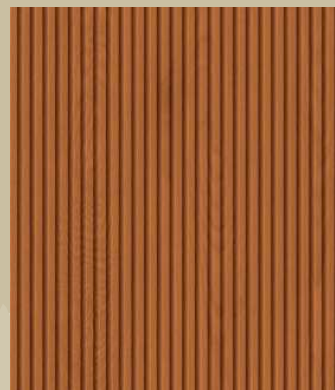

Greenex Plast is a leading manufacturer of uPVC furniture products, offering solutions for modular kitchens, wardrobes, TV units, partitions, and more. With a focus on quality, innovation, and sustainability, we deliver durable and stylish interior solutions that cater to residential and commercial needs across India and global markets.

A specialized manufacturing unit dedicated to crafting high-quality uPVC furniture solutions and delivering excellence in design, durability, and innovation for modern residential and commercial spaces.

LA VISH NESS

OUR VISION

To be a leading innovator in the uPVC furniture industry, setting new standards in eco-friendly design and comfort while promoting long-term value and environmental responsibility.

OUR MISSION

To design and manufacture high-quality, durable and weather-resistant uPVC furniture that combines functionality, style and sustainability, meeting the evolving needs of modern homes and businesses.

***The look of nature,
without the cost to nature.***

Enjoy the rich, authentic beauty of natural wood in your space. Our sustainable materials ensure that the forests remain untouched.

Engineered for Life. Designed for You.

Welcome to a world where elegance meets endurance. At GREENEX PLAST, we create premium uPVC solutions that are built to last a lifetime and designed to elevate your space. Our products offer the perfect fusion of modern aesthetics and unparalleled strength, giving you a 100% waterproof, termite-proof, and zero-maintenance alternative to traditional materials. Choose a smarter, stronger, and more stylish future for your home and office.
